(about Howie):
Why doesn't he strip for us?

Hell no! Half the stuff he does is because of you, to get your attention. He showed you his penis.

OMG! It was horrible. It was horrid. He was telling me it was hard, it was disgusting.

I can only imagine.

I wonder if the Nerd Herd is second guessing their decision??

Probably.. it doesn't matter to us.

Where do you think James falls into all of this?

I think James is just as stunned.
