so what's the  
 plan? should  
 I win the veto?

checkmate!  
 We have to  
 win the veto  
 and not use it...  
 the BBB has  
 to go!

James is such a  
 liar! He lies  
 about my  
 spying!

You didn't listen  
 to them in the  
 gold room?

(oOO) (thinking)  
 who to believe...  
 ape or james? duh

The Coven wants  
 to get James  
 this week....  
 we might be  
 safe!

We have to win  
 the veto and  
 use it...  
 James has  
 to go!
